Explanatory Note

(This does not form part of the Notification but is intended to indicate its general purport).

The area specified above comprised in Forest Special Division, Nilambur is portion of the Private Forests coming under the erstwhile M.P.P. Act and was cultivated with cardamom. The area supports rich tree growth. The felling of trees in the area under the guise of shade regulation is causing wanton destruction of forests resulting in ecological imbalance including soil erosion and landslides. Government have therefore decided to bring the above specified cardamom area within the purview of section 5 of the Ordinance so as to prevent felling of trees from the above area.

The notification is issued to achieve the said purpose.
